SCHEDULE CARD

Please see that a copy of your schedule card is filed during registration or within one week after the beginning of instruction. This is for your benefit, as well as for the benefit of the University.

CHANGES IN REGISTRATION

Changes in registration may be made by obtaining a change in registration slip from your dean's office. This slip must be approved by your dean and filed in the office of the registrar. After one week, there is a fee of one dollar for every change in registration. If, for any reason, the instructor will not allow you to take a course for which you are registered, a change of registration slip, signed by your dean authorizing you to drop the course, must be filed in the office of the registrar.

Credit cannot be obtained for courses for which you are not officially registered in the office of the registrar. Your failure to attend a course for which you are registered will result in your receiving a mark of failure in the course.

Students, who for adequate reasons desire to enter classes more than ten days late, must secure permission in writing from the instructor in charge of each class.

Courses dropped after six weeks (August 21, 1943) carry a grade of failure.

WITHDRAWAL FROM THE UNIVERSITY

Any student compelled to leave the University at any time during the academic year, should file an application for withdrawal, bearing the proper signatures, in the office of the registrar. If this is not done, the student will not be entitled, as a matter of course, to a certificate of honorable dismissal, and will forfeit his right to any refund to which he would otherwise be entitled.

REFUNDS

Prorated refunds for general fees and for board and lodging are allowed only in case of withdrawal from the University within certain time limits. Consult the catalog for rules governing refunds. After August 7, 1943, prorated refunds will be granted for board only. The date used in computing refunds is the date the application for withdrawal is filed in the office of the registrar. No laboratory fee refunds will be issued after July 19, 1943.

CHANGES IN COLLEGE

To effect a change in college, secure the necessary form from the office of the registrar or your dean's office, and have it signed by the deans concerned. The transfer is not complete until the blank has been signed by the deans and filed in the office of the registrar.

CANDIDATES FOR DEGREES

Every candidate for a degree who expects to complete his requirements at the end of the term must make formal application for a degree on a special form at the inspection desk during registration.
